First Amendment	0	0	1	In an age of government censorship, a missed opportunity.

Medical Freedom	3	2	4	Tennessee continues to strengthen its protections from medical tyranny.
Second Amendment	9	3	2	A good ratio of wins, but the dead constitutional fix was a huge loss.
TOTALS	37	26	25	A good session due to all those who communicated with their legislators.

Huge thanks to everyone who called and wrote their senators and representatives to support or oppose these bills. Take pride in your contributions to protect our children, our elections, and our God-given liberties.

Even bigger thanks to the TCGC team who painstakingly watched the sausage being made and then documented the good, the bad, and the ugly in weekly summaries, social posts, videos, and emails. Across the entire 16 weeks of the 2024 session, Chris, Crystal, Dennis, Fred, Jan, Justin, and Tracey informed and enabled patriots to take action across east Tennessee. Appreciation is also given to all those who contributed to the bill conversations and spread the word to their contacts and groups. YOU made a difference!
